Levels: A1 and A2: Basic user; B1 and B2: Independent user; C1 and C2: Proficient user

COMMUNICATION AND INTERPERSONAL SKILLS

Verbal Communication Due to my experience talking and dealing with other students during my time working as a trainee in a high school, I have honed my effectiveness in communicating.

Problem Solving From my experience as a computer support technician I have learned to analyse problems quickly and to provide fast and efficient solutions.

Leadership I can take control of things in cases where a superior is not available, acting with confidence and responsibility.

Teamwork I work very well in a team because of my ability to understand other perspectives, empathy and communication skills to create synergy with a team.
